

LOBO Containers, Inc.

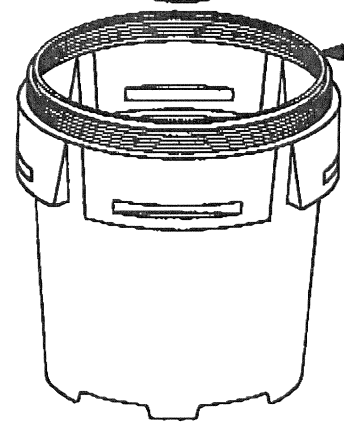

Closure Instructions

Company:

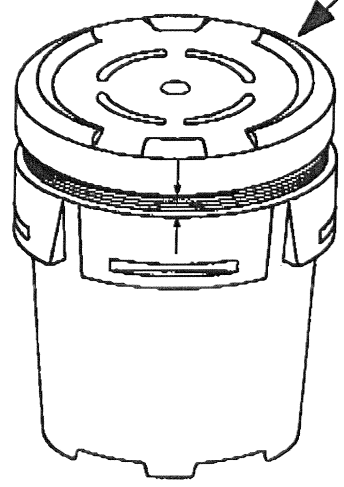

Date:

1 - Be sure gasket is fully in channel.

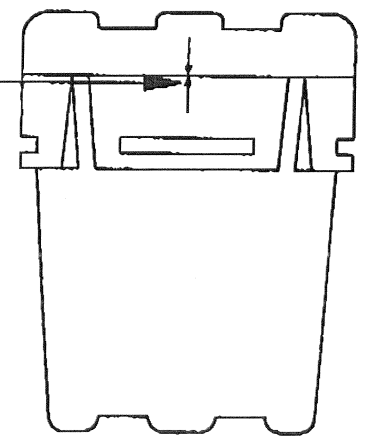

2 - Be sure drum sealing surface is free of debris.

3 - Place lid on drum. Turn lid counter clockwise till lid drops into start thread. Be sure it does not cross thread. Tighten clockwise, till arrows meet. Use 2x4 or other means of leverage to meet arrows.

4 - Properly closed.
