

Lid Crimpers

Black Metal Lid

29 Gauge Black Lug Cover w/ Rust Inhibitor for use on 5 gallon metal pails

Pail Opener

It's like a can opener for your pails! No more destroying your 5-gallon plastic and steel pails as you try to pry them open with an ineffective tool — and forget about trying to seal the lid once it has been ruined! The steel Pail opener easily opens, closes and seals lids. 7in.L x 1/2in.W x 3in.H.

Lid Crimpers

Crimping tool is needed to apply flex spout part # 3600868 to tight head steel pails.

Lid Press

Lid Press manual lug closing tool for use on 5 gallon Steel Pails and Buckets. This tool allows you to crimp and close 4 lugs at a time until the pail/lid is completely sealed.
